### Re: Replacement Drawing Figures

Attn. David M. Purol, Examiner

Art Unit 3634

United States Patent and Trademark Office

P.O. Box 1450

Alexandria, VA 22313-1450

Mr. Purol,

The following are replacement drawing figures for patent application 10/705,576 entitled "Universal Window Treatment Hardware System", invented by Deborah Rizzo. This was requested in your office communication mailed on September 30, 2005.

I hereby affirm under oath that this is being deposited in the US mail as first class mail with sufficient postage on November 30, 2005.

Sincerely Yours,

*Edmond S. Miksch*
